

Our House Rules

Our house is a safe haven not a battlefield

We spend time with God and in the Word every day

We give up no ground to the enemy

We live presently and thankfully

We always tell the truth

We apologize and forgive

We say goodbye and I love you when leaving

We read our plaque when we come through our front door

We don't curse

We don't allow any pornographic images

We assess all movies and TV shows before watching

We lift each other up—we don't call each other bad names

We don't play mind games

We say please and thank you

We make time to work on spiritual, mental, and personal growth

We are always moving forward

We eat healthy and make good decisions

We say grace before we eat

We pray together before bed
